

Excerpt from the Homepage

from the 2nd meeting of the Parents' Council 2024-2026 on 08.12.2025 together with
Class Parents and School Leadership

- Greeting of the attendees with a short presentation round
- Päckchenaktion of the Johanniter in the Christmas season – suggestion to have a class action to make and pack a small gift together in the class.
- The SMV plans to remove school toilets and to "polish" them, ideas from the parents' association or existing expertise are welcome.
- Parents' meeting: many appointments were quickly booked, parents can still meet at any time with the desired teacher, e.g. use of the consultation hour or arrangement of an individual appointment z.B. also by phone possible.
- Questions from the classes:
Schullandheim: the official recommendation to wear a helmet during winter sports activities will be sent out, this may be in the future already in the first application.
Notenschlüssel: the subject teachers put a key at the start of the school year at the beginning of the school year.
Unterrichtsstoff/Hausaufgaben – Informationen bei Krankheit/Abwesenheit: communication with the respective teacher should be sought or the class leader addressed.
Skilager: in the future there will be a window of opportunity during the 1st parents' meeting for questions reserved for the organizing teacher to be discussed.
Handyfreie Schulfahrten: mobile phone times or handing in of mobile phones will be considered by the responsible teacher, it will be discussed with the school leadership.
Medien und Tik-Tok: FSK requirements must be met; targeted use of social media is meaningful in the context of media education.
Zeitablauf – Berufspraktikum: currently a short time frame for application in the framework of the apprenticeship, dates will be communicated in the future earlier.
Lernen-Lernen: Revision of the concept of a „Methodenmappe“ is currently underway.
Taizé-Motivationsschreiben: each student can write, unfortunately only limited places are available, therefore not everyone can participate, alternative practical placement
- Umbrella measures for the Aula: e.g. change of fire safety concept, then the redesign would be clearly easier and less expensive.
- Currently preparation of a protection concept against sexual violence
- Feedback culture: already use of student feedback, however not binding, in the teacher training implementation, through SMV desired
- Christmas concert, clothing exchange bazaar and Christmas service planned.
- Planning of the next meetings – the next meeting will take place on 23.03.2026

A great thank you to all class parents who met us and discussed many points!

Questions and impulses from the parents' association can be addressed to the EBR at any time
